About Friends of Gwinnett County Senior Services (Friends)

The Friends of Gwinnett County Senior Services is a nonprofit 501(c)(3) volunteer-run organization dedicated to raising funds to privately support or supplement select senior programs in Gwinnett County. Celebrating 10 years of service to Gwinnett County's seniors, Friends has been a dedicated supporter of the Meals on Wheels program, donating new fully equipped vehicles and special food service equipment, as well as sponsoring many seniors for hot meal delivery. In addition, the organization has helped to meet emergency needs of seniors in crisis.

The Needs of Seniors in Gwinnett County

The Gwinnett County senior population is increasing at a greater rate than the county's general growth. This increase puts a tremendous strain on Gwinnett County's ability to provide assistance to many truly needy senior services.
